

Mother Navy - Mrs Janet Piers

*Dear Mother, you are, for all of us, a constant anchor of love and guidance.
You taught us Dignity in prayer - of remembering.
Showed us your Gift - of gracious offering.
Granted us strength - of embracing empathy...*

*You are truly a Mother of Wisdom, forgiveness, of hope... Have encouraged us to live our lives
in Celebration, always, in understanding that Service and Devotion -
Crowns the meaning of Family.*

*Dear Mother - We find strength in you.
Your life - Your embrace. Your legacy... your dear, dear heart... never fears the spoken
words of compassion... Of actions, of the way ahead...*

*Dear Mother, your hand is our lighthouse, amid fog, mist and time - you have offered us the
map, a compass, fair winds - and forever a promise of that following sea...
By hand, by hope, by a rope that binds... Us to you!*

Dear Mother Navy - our devoted lady - safe harbour always.

*Sincerely, From the Canadian Navy Family - we pledge anew - to stand beside you
forever, and offer our most humble Service to Celebrate all the days of our lives,
in Honour and Glory - in Devotion to you... Our Mother Navy...*
